PROJECT REFERENCE

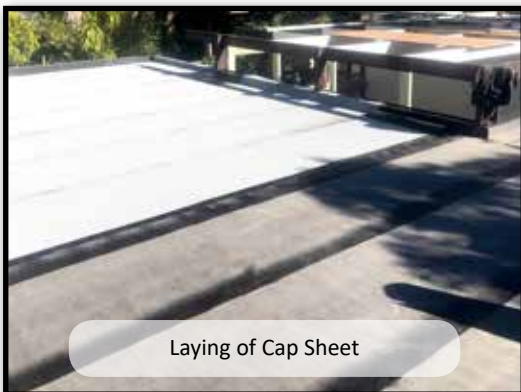

Elimatta Road, Mona Vale NSW

Completed Project

Before

Laying of Cap Sheet

- Project Name:** Elimatta Road, Mona Vale
Location: New South Wales, Australia
Type: Renovation - Residence
Project Size: 200m²
- Issue:** Residence had an outdated clip-lock aluminium roof, with thermal issues and water leaking.
- Solution:** Timber plywood sheets laid to fall on timber rafters with insulation, primed with DuO Primer, fully bonded base sheet and fully torched cap sheet.
- Materials:**
- DuO High Tech 4 GW/F C180 Firecare Cap Sheet
 - DeboPlast 3 T/F C175 Basesheet, fully bonded
 - DuO Primer
- Completion:** 2019
